Westminster Presbyterian Church
SHORT TERM MISSIONS FINANCIAL ASSISTANCE

Westminster provides financial assistance for its members who desire to serve Christ through short-term missions. If you would like to apply for financial assistance, please follow the guideline below and *prayerfully* consider the amount in which you are able to pay. It is our intention to give financial assistance to all who are in need; however, funding is limited. Please determine the **most** you are able to pay, in order to share available funds with others. If complete coverage of trip costs is needed, we request that you contribute a minimum of $50.00 toward the trip.
